Tools for Educators and Leaders

A suite of integrated resources for educators and school leaders to catalyze healthy, whole child development and academic achievement for each and every student, based on 21st-century science and nearly two decades of practice in schools.

**TOOLBOX**

**Professional Learning**
Tools to measure the state of a school’s context and diagnose strengths and challenges.

**Educational Practice**
Curated literature and videos dive deep into the science of learning and development.

**Assessment**
Training tools, including presentations, facilitation guidance and participant materials.

**Scientific Reference**
Toolkits that support implementation of systems, structures and practices.

**TOPICS INCLUDE:**

<table>
<thead>
<tr>
<th>Establishing Foundations for Change</th>
<th>Systems and Structures to Address the Impact of Adversity</th>
<th>Developing Student Skills and Mindsets</th>
</tr>
</thead>
<tbody>
<tr>
<td>Introduction to The Science of Learning and Development</td>
<td>Building Trauma-Informed Systems (Tiers 2 and 3)</td>
<td>Self-Regulation: Executive Functions</td>
</tr>
<tr>
<td>Adult Mindset</td>
<td>Managing Change Through Measurement and Evidence</td>
<td>Self-Regulation: Self-Awareness and Emotion Regulation</td>
</tr>
<tr>
<td>Adult-Student Interactions</td>
<td>Collaborative Structures</td>
<td>Social Awareness and Interpersonal Skills</td>
</tr>
<tr>
<td>Building Trauma-Sensitive Systems (Tier 1)</td>
<td>Class Meeting and Advisory Structures</td>
<td>Mindsets for Self and School</td>
</tr>
</tbody>
</table>

**HELP EDUCATORS UNDERSTAND:**
- The science of learning and development, and why this knowledge is so critical
- How to develop the systems, structures and practices necessary to support the whole child

**HELP EDUCATORS CREATE:**
- Positive developmental relationships
- Safe, supportive environments
- Essential skills and mindsets that help all children succeed

**HOW THE TOOLBOX WAS DESIGNED:**
- Distilled research from the development and learning sciences
- Incorporated learnings from 17-year history of partnerships with 125+ schools
- Partnered with researchers from American Institutes for Research and Tufts University
